CIE Enrolment – June 2007

Are you presenting candidates for CIE examinations in June 2007? Please note that the deadline for enrolment is **14 February**. You may begin entering your candidates through our enrolment website www.essarp-enrolment.org.ar as from 1 December. Options may vary from year to year so please make sure that you enroll your candidates for the correct option by referring to the 2007 Entry Booklet (also available on the ESSARP website).

CIE Results – November 2006

You will be able to check your students' results as from 19 January 2007 on the CIE Results website! You will find all the necessary information on the ESSARP enrolment website.

Remember that the CIE Results website is only available for centres, not for students or parents.

ESOL Results – Now online!

This year all ESOL Results are available online for your students. A personalized letter for each candidate showing their log in details has been sent to the centres together with their statements of entry.

Steel Safe “Contrato de Comodato”

There are still a small number of schools that have not yet sent us the signed “Contrato de Comodato”. If this is your case, please make sure that it is signed and delivered to us as soon as possible.

Last examinations

We would like to remind all those centres that are not included in the pick up schedule to please send us the scripts right after the exams take place. We must forward these exams to Cambridge as soon as possible in order to avoid any delays in the issuing of results.

Changes in ESSARP Examinations Staff

Next year will be full of changes regarding Examination Staff here at ESSARP.

After seven years working at ESSARP, **Tomás** will be leaving us at the end of December.

Francisco, who has been in charge of the deposit and shipment over the last two years, is also leaving ESSARP.

We are sure that you will miss their responsible, hard work and calm disposition, and join us in wishing them all the very best for their personal and professional future.

Venue Schools

A very warm “Thank you!” to all schools that kindly accepted candidates from other centres during this examination session. We really appreciate your help!

ESOL Information for Candidates

Cambridge ESOL has developed new sources of support and information for candidates and schools. In our website you will be able to find and download the 'Information for Candidates' booklets in Spanish. This booklet was designed to give practical guidance to candidates who are preparing the YLE, KET and PET examinations.

All previous editions of the Exams Newsletter are available on our website, for you to download and distribute among your colleagues.
