June 2006 Question Papers – Now available!

CIE June 2006 question papers are already available on the Teachers' Support Website. All ESSARP centres have free access to this website. If you have not yet tried this website, please send an e-mail to traggio@essarp.org.ar to request more information.

Tip of the month – Mobile telephones

Please remind candidates that they must switch off all mobile telephones and place them in the area designated by the supervisor. Candidates who do not switch off phones or who keep them in their possession may be disqualified from the exam.
